O'KEY, ROSBANK AND MASTERCARD LAUNCH CO-BRANDED CARD FOR PRAGMATIC SHOPPERS

O'KEY Group S.A. (LSE: OKEY), one of the largest food retailers in Russia, together with Rosbank and Mastercard international payment system launch a debit card "ROSBANK-O'KEY Mastercard", which will allow customers to get considerable additional benefits from their shopping experience. The shoppers will receive Mastercard World bank cards supporting an innovative contactless payment technology.

The new card is a major co-branded card project implemented in 2016 by a bank and a top 10 Russian retailer.

The new card holders will get bonus points when paying for the purchases in the O'KEY stores depending on their basket size. The maximum is 7 points for every 100 rubles provided that the purchase by card is for 3,000+ rubles. By spending 1,000 to 3,000 rubles the customers will receive 5 points for every 100 rubles. Those who buy for less than 1,000 rubles will get 2 points for every 100 rubles. The card can also be used to pay in other stores where 1 point will be given for every 100 rubles spent.

All the earned points, without exception, can be further converted into the purchases in all of the O'KEY stores.

Konstantin Arabidis, CFO of O'KEY Group, emphasizes that the card becomes an important loyalty program element for the retailer's customers:

"Thanks to the cooperation with one of Russia's leading and most reliable banks, we offer our customers a unique opportunity to save their funds and make the best use of their family budget. In addition to an efficient bonus points system, the new cards provide all the benefits of the O'KEY loyalty cards allowing customers to enjoy considerable additional discounts on food and non-food products in our stores. We have no doubt that the new card will become the most efficient shopping tool for our customers."

When receiving and activating their cards, the customers will get 150 welcome points. Every month they can earn up to 3,000 points to get discounts for their future purchases in the O'KEY stores (1 point = 1 ruble).

The cards will be issued for free. The service will also be free of charge if the customer meets one of the three conditions: 1) ROSBANK-O'KEY Mastercard card used to buy goods or services for 10,000+ rubles a month or 2) 50,000+ rubles kept on the current and savings account balance or 3) monthly salary (20,000+ rubles) transferred to the card. In all other cases, the monthly fee will be just 150 rubles.

Andrey Sokolsky, Member of the Management Board & Retail Sales Development Director at Rosbank, commented:

"What we offer to our customers is to benefit from their daily shopping with ROSBANK-O'KEY Mastercard card. Customers can earn bonuses in any stores, but the process will be much faster in O'KEY. The points can be redeemed at any time, they will not get lost. Clients can check how many points they have earned by accessing their loyalty program account. It will be easy to comply with the conditions of a free card service given the wide range and high quality of products in the O'KEY hypermarkets."

Ivan Isaenko, Market Development Director at Mastercard Russia, said:

"It is worth reminding that O'KEY was the first major food retailer in the Northwest of Russia who made the contactless payment technology available in all their stores several years ago. We are very pleased that the ROSBANK-O'KEY Mastercard card also supports our advanced contactless technology, which is in fact a new milestone in the retailer's loyalty program journey. Convenient, fast, safe and cost effective – looks like we have taken into account all the interests that loyal customers may have."

The co-branded ROSBANK-O'KEY Mastercard card is part of the "Classic" service package. For more information on the categories of banking services and options available please visit the Rosbank website ("Individuals" section).

Customers can apply for, formalize and pick up the cards either in the O'KEY hypermarkets or Rosbank offices.
